CORNHUSKER LINE MUST BE BRACED

If Nebraska is to Be Victor Over Ames Saturday, Stiehm Must Get Better Game from Linemen.

GOPHERS LEAD CONFERENCE

Unless the Cornhusker line displays a reversal of former days in holding its own and more attempts are made at the open play game Nebraska is due to find a tough tussle on its hands Saturday when the Iowa Aggies are battled at Ames.

The Ames crew is a foot ball team with one object in view, victory over Nebraska. The success or failure of the Ames season depends upon the showing against the Huskers. If Ames wins it is a great year even if all the other games on the schedule are dropped, if Nebraska cope it's a poor year. And that is why the Aggies will put up the fight of their lives this Saturday.

And that is also why Nebraska's line must buck up. The line was the weak spot in the Notre Dame game. The Catholics encountered no difficulty in ripping that line to shreds. If the line had played Saturday as it played in 1914 the Huskers would have defeated Harper's men by a substantial margin.

Stiehm's men did not play poor foot ball Saturday, but they didn't play up to standard and it was largely due to the stellar work of Chamberlain and the back field men that Nebraska won.

Caley Must Pick Up

The absence of Potter also makes the Cornhuskers weaker, or at least less last Saturday. Of course it is to be granted that Caley was playing in his first big game and a youngster who never had a foot ball in his hands until he entered the university is not expected to be a wonder in his first big game. But better things were expected of Caley Saturday and it is up to him to perform more satisfactorily against the Iowa farmers.

Ames didn't show much Saturday by defeating Missouri 14 to 6, after the Tigers were waltzed 26 to 0 by Oklahoma, but for all that the Aggies can be counted to battle Nebraska to the last ditch and Stiehm has his work cut out for him this week.

Johnny Bender's Kansas Aggies gave Kansas university a run for its money Saturday. The university team beat the Aggies, who were easy for the Huskers, 19 to 7, and Kansas stock went down a bit. On paper it looks as if Kansas and Ames were in about the same class and this does lead for another Missouri valley championship for Stiehm's men.

Gophers Are Favorites

Minnesota took Iowa to a walling Saturday and either the Hawkeyes are weaker this year or the Gophers are stronger. It is probably a little of both and Minnesota retains the lead in the western conference championship. Illinois stock dropped when Ohio tied Zuppke's crew a week ago, 3 to 3. Chicago or Wisconsin will make the Gophers hustle, however, and of course there is the chance that Illinois will bolster up in her remaining games and repeat.

Cornell Upsets Dope

The defeat of Harvard by Cornell was unexpected. It was thought Harvard would romp through 1915 with a clean slate, although the Ithaca school was credited with possessing a strong team. It was a great victory for Al Sharpe who has done wonders since he took up the coaching job.

Cornell, Pennsylvania or Pittsburgh should cop the eastern championship now. Glenn Warner, who was such a success at Carleton, is coaching Pittsburgh this year and his victories over Carleton and Harvard, and the fact that he has done wonders since he took up the coaching job, Cornell at the end of the year Warner's boys must be handed the eastern honors unless Princeton comes through with a clean slate. Princeton upset the dope by its overwhelming victory over Dartmouth and the Tigers are now favorites over both Yale and Harvard. But for some reason or other Princeton teams seem to contract the old buck fever when playing Yale and Harvard and it wouldn't be much of a surprise if the latter school should defeat Rush's athletes.

Kansas Has a Hard Time with Aggies

MANHATTAN, Kan., Oct. 24.—Kansas university, after being outplayed in the first half, inserted fresh men and defeated the Kansas Agricultural college, 19 to 7, yesterday. With the 21 to 0 defeat of the Agriculturists two weeks ago at the hands of Nebraska, followers of the game were today given an idea of the comparative strength of Nebraska, and Kansas in the contest for the Missouri Valley title. The first half was the Agricultural college's all the way. Kansas was compelled to assume the defensive early in the first quarter and kicked repeatedly. In this department Kansas excelled, while the Agriculturists' gains were by straight foot ball.

Use The Bee's "Swapper" column.

Bellevue Now Has Brighter Outlook

With the season one-third over prospects for a successful record in foot ball at Bellevue college are the brightest they have been for three years. Although Captain Webb is on the sidelines for the season and Rascely and Lichtenwalner are out of the game for two weeks, the present condition of the team is such as to make the outlook bright.

The Cotner game was lost largely because Benjamin hardly had a chance to learn to know his men and because the injury to Rascely in the second quarter disorganized the back field. But the back field used in the Midland game has proved a lifesaver, and this problem has now been largely solved.

Three games at home this year will strain the resources of the Athletic association to the utmost. The stringency will be overcome, however, through the projected vaudeville show to be staged in three weeks. The whole college, faculty and students, are working hard to prepare for this entertainment.

No varsity game is scheduled until November 5, when Wayne will be met at Bellevue, but Manager Gilmore is endeavoring to arrange a game with a department of Creighton or some uptown team to keep the varsity in trim. After that date Trinity, Doane and Tarkio will be played in succession.

Oregon Team Will Stop in Omaha for Half-Hour Practice

The Oregon Agricultural college foot ball team, which is making the trip from Corvallis, Ore., to Lansing, Mich., to battle the Michigan Aggies, Saturday, will stop over in Omaha for a thirty-minute practice here Wednesday. The Oregon Aggies will arrive in Omaha at 6:30 over the Union Pacific. Stops for practice will be made at Glenn's Ferry, Idaho; Cheyenne, Omaha and Chicago. The private car in which the coast athletes will travel is equipped with apparatus for exercise, so that it is not expected the long trip will hamper their chances for victory.

Two New Players to Help Out Creighton

Harvey Stapleton, trainer of the Creighton university foot ball team, found it impossible to resist the call of a griddle any longer, and has again done the job every year since he left the Blue and White. Owing to a serious defect in his sight, his right eye being almost totally blind, Stapleton gave up foot ball and remained with the team as trainer, but the husky guard finally succumbed to Mills' beckoning, and as his sight has somewhat improved, he has again joined the ranks of the players. His return is a matter of keen joy to the team, inasmuch as Stapleton has played with Creighton three years and knows foot ball from A to Z. He is 24 years of age and weighs 230 pounds. Although out only one day before the Haskell game, Stapleton was in the midst of the fray against the Indians, and broke up their attempted line smashes repeatedly.

Another new man who joined the squad last week is Jean Leahy of Wayne. He played three years at Wayne High school and one year at Wayne normal. Leahy is an end and fullback, weighs 185 pounds and is registered in the pharmacy department at Creighton.

Burns Says Stecher Gets the Decision

Farmer Burns, Omaha's great wrestler, thinks that Stecher is entitled to the decision at Evansville. He sets forth his views in the following note to the sporting editor of The Bee: OMAHA, Oct. 24.—To the Sporting Editor of The Bee: I see that Referee Sloan at Evansville has reversed his decision in the Stecher-Lewis match and called it a draw. This decision of a draw is absolute injustice to Stecher, as he was in the ring ready to wrestle and Lewis did not come back in the ring. As long as Stecher had not committed a foul it was his match.

Wolverines Beaten By Michigan Aggies

ANN ARBOR, Mich., Oct. 24.—The Michigan Agricultural college by outplaying the University of Michigan defeated the Wolverines, 24 to 0, yesterday. Maulbetch, Michigan's great punter, was unable to display his usual ability, the visitors' forward ripping the Wolverine line to pieces before Yost's backs could get started. The poor physical condition of the Michigan players also was shown in the large number of men injured.

The Clerk Guaranteed It

"A customer came into my store the other day and said to one of my clerks, 'Have you anything that will cure diarrhea?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'If this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured," writes J. H. Barry & Co., Salt Creek, Va. Obtainable everywhere. All druggists.—Advertisement.

ALEX CHUCKS WIN FOR OLD LEAGUERS

St. Paul, Neb., Boy on Mound for All-Nationals and His Mates Pound Ball Behind Him.

CHARLEY MULLEN IS A STAR

Grover Cleveland Alexander gave some 5,000 Omaha fans and fanettes a nine-inning demonstration of his masterful chucking yesterday afternoon at Rourke park with the result that the All-Americans, who have been trimming the All-Nationals of late, were taken to a trimming by the representatives of the senior loop. The score was 8 to 5.

A glance at the box score would indicate that the fray yesterday was hardly of major league caliber, but in this case figures do lie, for it was a mighty good game of ball and the 5,000 present were unanimously satisfied.

Alexander allowed seven hits and he didn't strain himself at that. He stood in the box and threw the ball at the plate and it was up to the American league men to hit it. Occasionally they did, but only once in a pinch and then it was Charley Mullen, graduate of this loop, who did it.

On the other hand, the Nationals found Bill James of Detroit and Doc Ayres of Washington duck soup. They hammered their offerings at will.

Killifer Shows Class

Wade Killifer was the bright light of the National troupe. Wade is a youngster who labors in Cincinnati. Despite this handicap he is quite a ball player. He tore off three hits, one of them a double, and captured seven flies in the outfield, a couple of which were hard chances.

Charley Mullen was the only American leaguer to comb Alexander more than once. Charley nicked Grover's slant for two safe swats and one was a two-bagger in the fourth frame, which came with two down and knocked in two counts. Charley also as the fielding star of the combat. He covered six chances, four of them hard ones and one one-handed stop of a drive from Magee's bat that looked like it was traveling a mile a minute. Mullen threw Evers out at the plate on the play. And it might be mentioned that Mullen is the chap Willie Donovan couldn't see last spring, but finally changed his mind and took him back this fall.

Daubert Hits in Pinches

Jake Daubert delivered the big pinch blow of the matinee. With the sacks loaded in the fourth Jake hammered a double to center which cleared the rally. Johnny Evers, McCarty, Wally Pong, Amos Strunk and others were right on the job every minute and showed the Omahans the difference between major league and minor league base ball.

Bib Fisher of the Cubs played a punk game at short and Shanks of Washington mused things up generally. But Shanks is to be excused because he is an outfielder who is trying to play shortstop, and that is a tough job to tackle.

Pipp Poles Homer

Forrest Cady of world's series game worked behind the bat for the Americans. Dick Hoblitzel, being manager, merely encouraged his athletes from the coaching line. Pipp poled one over the rightfield boards in the ninth spasm for a home run.

Before the game Cozy Dolan, Sherwood Magee, Johnny Evers, Max Carey and Otto Miller staged a grand old show ball that was a scream. As a climax Cozy pretended to be hit in the bean by a batted ball and he fell prone on the ground while his mates hurried to him and poured water all over his may and others called frantically for a doctor.

Today the All-Stars play at Lincoln. Alexander will pitch an inning or two. Score:

Table with columns for ALL-NATIONALS and ALL-AMERICAN, listing players like Carey, Evers, Magee, Groh, Phipps, Fisher, Killifer, McCarty, Alexander and their statistics.

The Clerk Guaranteed It

"A customer came into my store the other day and said to one of my clerks, 'Have you anything that will cure diarrhea?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'If this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured," writes J. H. Barry & Co., Salt Creek, Va. Obtainable everywhere. All druggists.—Advertisement.

Dakota Wesleyan Is Beaten by Coyotes

VERMILLION, S. D., Oct. 24.—In one of the hardest fought games played in the state this season, South Dakota university defeated the Dakota Wesleyan eleven of Mitchell on Dakota field yesterday afternoon by a score of 23 to 7.

At the end of the first half the Wesleyans were in the lead with the score of 7 to 6, but at the opening of the second half the Coyotes took on new life and kept their opponents on the defensive during the remainder of the contest.

MORE FINE HORSES BROUGHT TO OMAHA

Hal Connor Bought by Dennison and Youngster of Royal Lineage by Peterson.

SPEEDWAY BARN ATTRACTIVE

By G. M. MURRAY.

Hal Connor, one of Ed Geers' candidates for this year's Grand circuit pacing stakes, and a weanling stallion colt by Peter the Great, 2:37 1/2, out of Lily Worn by Axworthy (Krandam Rose Croix, famous futurity winner and broodmare) were noteworthy additions to the horse population of the East Omaha farms last week. They were shipped from Lexington, Ky.

Both are now owned in Omaha and together with the horses, which were already at the speedway make the big barn which shelters them as attractive a place as can be found in all the middle west.

Hal Connor had speed to burn in his campaign down the Grand circuit 1 1/2 year and was of race horse caliber, except that he was erratic and consequently failed to win for "Pop" Geers and F. G. Jones, his owner. In fact, he danced on his entrance money more than once when he should have won races. Geers was racing him free-legged according to his unalterable custom, but however, was done up in very fast time in races and had numerous fast miles to his credit in his work.

The Connor horse was purchased from F. G. Jones by Tom Dennison. Local horsemen, knowing the real ability of the horse and knowing Dennison's penchant for getting results out of whatever material he has at hand, expect to see this steed become a useful race horse for him. If luck is with him, Hal Connor ought to pace in 2:03, which is almost fast enough to entitle him to a permanent residence in the Third ward.

Hal Connor is a brown horse by Argot, 2:37 1/2, the noted pacing bred trotter, and he is out of Barbetta by Tennessee Wilkes, 2:17.

A Richly-Bred Youngster

The weanling Peter the Great colt belongs to Ed Peterson. He should be a valuable acquisition to the breeding interests of the state and has as much right to be a champion trotter so far as breeding and individuality are concerned, as any of the other famous race horses, which the great son of Pilot Medium has sired. The Peter the Great-Axworthy cross is ultra fashionable breeding right now, and doubtless will remain so for an indefinite period.

The colt is a typical Peter the Great, his head and neck especially resembling those of his sire. He stands well on his feet and is a pleasing youngster at every point.

At East Omaha may also be seen the familiar faces of Hal McKinney, 2:04 1/2; McKinney, 2:13; Jim O'Shea, 2:14; and Babe King, the pacing pony, over whose destinies Nick Ronin presides. Marvin Childs is in charge of Ed Peterson's horses, including Ben Earl, a promising candidate for next year's pacing stakes.

Among the other horses in the barn are Tom Smith, the hero of many a hard-fought trotting race; Major By, a fast trotter; Pronto J. Frank Halloway and Tena G., all of which raced this season in Nebraska and are being wintered here, and Belle Thompson, a slow class trotter.

Improvement Work Continues

The work of improving the grounds and the barns at the Speedway continues to go forward under the supervision of the members of the Omaha Driving club. The grounds are being leveled and a thousand and one things are being done with the purpose of making the Speedway the best racing and training plant in the middle west. It is impossible to do justice to the manner in which innumerable details are being cared for by the driving club for the reason that a list of them would extend far beyond the limits of any reasonable allotment of space. Comfort of both men and horse has been provided for in the barns to such an extent as to win the praise of every horseman who has seen them.

There is still ample barn room remaining for other trainers who may bring their horses to Omaha to winter.

Digs Up Another Winner

Connie Mack has another Murphy on his Athletics. The newcomer's front name is Michael and he hails from Pottsville, Pa.

Will Not Succeed Elliot

Officials of the Oakland club deny that Roy Weather has been chosen by manager for the Oaks next season to succeed Rowdy Elliot.

VAUDEVILLE IN BELLEVUE "GYM"

Students Will Stage Play for the Benefit of College Athletics.

ARE REHEARSING THREE PLAYS

Bellevue college students will stage a vaudeville show in three weeks for the benefit of college athletics. A folding stage is to be erected in the new gymnasium, which will be used for dramatic performances throughout the year.

Charles M. Wilhelm, president of the Orchard & Wilhelm company and president of the board of trustees of Bellevue, has donated a handsome brown velvet curtain, which will be used for the first time at the vaudeville performance.

Under the direction of Edwin L. Puls, Bernice Miller and Dean Pales, the directing committee, a program is being worked out which will be the biggest thing of its kind ever staged at the suburban institution.

Rehearse Three Plays

Three one-act plays are being rehearsed. The freshmen class will put on "The Revolving Wedge," a foot ball play built around the Bellevue college foot ball team, with members of that organization as heroes. The Bellevue Players, the college dramatic club, will appear in a burlesque melodrama, "The Fatal Necktie." Bernice Miller and Edwin L. Puls are the characters in a sketch by A. Conan Doyle, "Confessions."

Faculty Takes Part

Prof. Erickson and Goodwill have consented to sing several numbers. Bernice Miller, physical director for women, who is an experienced artist in her line, will give several solo dances.

The grand finale of the program will be a black-faced minstrel show, which the preparatory students are enthusiastically rehearsing. Their energy will do much toward making the projected entertainment a massive success.

Grinnell College

An elaborate Harvest festival was staged by the women of Grinnell college, under the direction of Miss Clara J. Anderson, director of the department of physical education for women, Friday evening. The fest was notable, as being entirely different from the general run of festivals in theme and manner of presentation.

For the first time in the history of the festivals at Grinnell, it was staged indoors and at the Colonial theater, where special lighting effects were arranged to give the effect of the outdoors on an autumn evening. The whole course of the harvest from the time of the planting until the coming of the reapers and the reaping following the successful harvest was depicted. Miss Ruth Louise of Thurman was queen of the Harvest and crowned by the Spirit of Plenty.

For a number of years it has been the custom for the Grinnell women to give a spring festival in May. Under the direction of Miss Anderson, these festivals have been very elaborate affairs and have become noted among similar productions at other colleges and universities. It was decided by Miss Anderson to give a fall festival this year, and although it was worked out along the same general lines as the spring festivals have been, yet it differed greatly from them in conception and in the way it was given. The production was a beautiful interpretation of the harvest theme and stage settings and costumes were magnificent.

Wesleyan University

Prof. Bishop and Shirk conducted field excursions to the Louisville region today. The academy enjoyed a wienner roast at Robbers' cave yesterday evening. Prof. Jensen acted as chaperon.

Colonel "Bob" Seeds will appear in the auditorium for a lecture, this being the second number of the Young Men's Christian association course.

The freshmen class has presented the athletic festival in the gymnasium. A considerable number of citizens of University Place and Lincoln were among the number.

Arrangements have been made with an eastern syndicate whereby moving pictures of national industries and events of national importance will be shown at Wesleyan monthly. A fine motion picture machine was presented to the university by the class of 1915. Bishop Nielson, formerly a resident of

Omaha, but now located at Zurich, Switzerland, has returned to America for a brief furlough after a very strenuous period of service among the warring nations of Europe. The bishop addressed the students at chapel Friday morning on the European situation, and because of his wide acquaintance with conditions was able to give an especially interesting address.

York College News

Secretary Simonds gave a very interesting, helpful and enthusiastic talk to the Young Men's Christian association Tuesday evening.

The foot ball rally Friday morning preceding the Kearney game was most interesting. Speeches were made by President McLaughlin, J. M. Childs of the City National bank, Mr. Brown of the Lowry elevator, Mr. Haltinger, one of the business men of York, by students and each of the players.

The senior academy class enjoyed an outdoor picnic on the banks of Beaver creek on Wednesday evening. After a generous feed matters of general class interest were discussed and class yell were practiced. The class president is Clyde Reynolds of Palmer and the secretary is Miss Helen Felling of Omaha.

Thursday evening was college night at the tabernacle meetings. The tabernacle was well decorated with the college colors and pennants. A procession of the students and faculty, preceded by the City band and drawing the foot ball team on a wagon, marched around the square and then attended the tabernacle meeting.

At chapel Monday morning the students were addressed by three of the leading members of the Commercial club of York, George W. Shreck, Dennis Meehan and J. N. Kildow. Tuesday morning an address was given by Rev. Mr. Ford, associated with the college in the early years of its history and who has spent twenty years as a missionary in West Africa.

The trip to Hastings and the fine exhibition of foot ball put up by the York team has been the main subject of conversation since. A spirit of unity and enthusiasm was revealed which was almost unprecedented in the history of York college. It marks the beginning of a new day in athletics at least, for the college and it is to be hoped in other activities as well.

Travels with All Stars

Danny Comerford, who has been the Brooklyn team trainer for a generation past, will go with the All-American team on its tour.

Hughes Makes Good

George Hughes, who piloted the pennant winning Moline team in the three-league last season, has been offered a new contract to continue on the job.

Advertisement for Nujol. Text: 'YOU SAY "I'M WELL" —BUT ARE YOU? NO ONE is really well who is dependent upon laxatives and cathartics for relief from a more or less chronic condition of constipation. Laxatives give only temporary relief and their after effects intensify the very condition they are supposed to remedy. A few years ago, Sir William Arbuthnot Lane, the distinguished English surgeon, obtained some remarkable successes by the use of mineral oil in the treatment of chronic constipation. Since then, the mineral oil treatment has received the most thorough testing. The Standard Oil Company (New Jersey) has produced in Nujol a product that conforms in every way with the requirements of the medical profession. Nujol is odorless and tasteless, absolutely neutral, and is not digested or absorbed into the system. It acts merely as a mechanical lubricant. Nujol is not a drug. Its use will not give quick, temporary relief. But Nujol is a genuine remedy in that it relieves constipation in the most natural way by lubricating the lining of the intestines, softening the intestinal contents, and thus promoting healthy and normal bowel activity. STANDARD OIL COMPANY (New Jersey) Bayonne New Jersey Nujol A PURE WHITE MINERAL OIL Write for "The Rational Treatment of Constipation," an informative treatise on constipation. If you cannot get Nujol from your druggist, we will send you a pint bottle prepaid to any point in the United States on receipt of 75c—money order or stamps.'
